

9th October 2020

Johnsons of Whixley Ltd.'s procurement policy in relation to Xylella spp.

Based upon information currently available from DEFRA, APHA and other sources globally, Johnsons of Whixley Ltd. will not knowingly procure any product referred to directly from or originating in an area that has had a confirmed outbreak of Xylella spp. until the area has been declared free of the disease.

Currently the areas included in Johnsons of Whixley Ltd.'s procurement exclusion are:

Italy – all regions

Spain – all regions

France – Provence Alpes Cote d'Azur (PACA), Corsica, Region Occitanie

Principality of Monaco

Portugal – County of Gondomar and County of Vila Nova de Gaia

This statement is subject to amendment if deemed appropriate in the light of further information or legislation.

Should you have any questions in respect of Xylella and Johnsons of Whixley Ltd.'s position then please direct those to our Head of Production and Procurement, Jonathan H. T. Whittemore.
